CFAC Bldng Use Req.pdf

Hi Marie,

I hope all is well and that you enjoyed a long weekend.

Attached is the Building Use form to secure the Cafetorium for a public meeting on Thu. Sep 29 about the EPA final listing of the CFAC site. The meeting is scheduled for 6:30 – 8 but we are requesting the room from 6 – 8:30 for set up and clean up. Thank you again for offering this venue at no cost!

Here is what I was going to include in the next community update about the event:

EPA staff will coordinate with the community of Columbia Falls to schedule public meetings and other public events over the next several months to discuss the next steps and outline how the public can engage in the Superfund process moving forward. The next public engagement opportunities:

- **Thursday, September 29, 6:30 - 8 p.m. Public Meeting at the Columbia Falls Junior High School; 1805 Talbot Rd, Columbia Falls, MT 59912; in the “Cafetorium.”**
- **Wednesday, October 11, 11:45 – 1:00 p.m.** EPA and CFAC will speak at the Columbia Falls Chamber of Commerce General Membership Luncheon; 235 Nucleus Ave.; Columbia Falls MT 59912 in the Tea Kettle Room.

Please let me know if you have any questions. Thanks so much for your support Marie!

Robert Moler

Subject: Building Use

Hi Robert,

I've attached our Building Use Form to this email. Unfortunately, it is not an online form, so you will either need to scan it back to me or fax to 406-892-6552.

I will be out of the office on Friday and Monday.

Thanks!
